- Trail features vary in size and difficulty.
- Degree of difficulty ratings and symbols are relative to the Snowshoe Bike Park only.
- Terrain and features change constantly due to weather, maintenance, usage, modification, and time of day.
- Observe all posted signs and closures.

- Do not use trails or features if you lack sufficient ability and/or experience. You may cautiously walk your bike if you feel you are on a trail or feature beyond your skill level.
- Not all trails are checked or cleared on a continual basis. Report obstacles or hazards to Patrol or any Snowshoe employee.
- You may encounter authorized and unauthorized motor vehicles, trail work crews, and construction areas; it is your responsibility to yield.

- Do not stop where you obstruct a trail or are not visible from above or to other riders.
- Stop and look both ways before crossing roads.
- People ahead of you have the right of way; it is your responsibility to avoid them.
- Slow or stop as necessary when overtaking other riders. Anticipate others at corners and blind spots. Slower riders yield to faster riders as soon as it is safe to do so.

- Helmets are required while riding on Snowshoe Mountain trails.
- Identify yourself to Patrol or any Snowshoe employee if you are involved in or are a witness to a collision or accident.

- Make sure your equipment is in proper working order.
- Respect Snowshoe Mountain, its employees, other guests and property.

ADDITIONAL INFORMATION

- Trails or lifts may be temporarily closed due to weather, special events, construction, maintenance, or trail conditions. Check the daily trail report at the Mountain Adventure Center or the Depot for Bike Park and Lift Information.
